

Complete Bapu Tower at faster pace: Nitish

Madan.Kumar@timesgroup.com

Patna: CM Nitish Kumar on Sunday took stock of the ongoing construction works of Bapu Tower in Gardanibag area and asked the building construction department (BCD) officials to complete the works at faster pace.

BCD secretary Kumar Ravi briefed the CM about the ongoing works. "Finishing touches are being given," he told the CM.

Nitish also enquired from the BCD officials about the status of work in the auditorium, waiting room, lounge, visitors' gallery, research centre, orientation hall and some other structures of the Bapu Tower.

"I came here several times and took stock of the construction works. I also gave necessary suggestions during my previous inspections. I wish that construction of the tower is completed at the earliest. There should be no further delay," Nitish said.

The CM asked the officials to ensure green area in the entire complex.
